Hi All,

Welcome to the Embu University E-Learning Platform. All students have an existing account already created. The default Username is your admission number in small case e.g. 'd190.100***.20**', kindly note the small case. The Delimiter instead of using the usual '/', we are going to use a full stop '.'. For example instead of, e.g 'e220/100***/20**' we are going to use 'e220.100**.20**'. Default password for all the student accounts is 'Student@123' .

After Login in, Please change your password and also edit your profile by adding your email address.

If you have any challenges kindly visit the ICT office or email the system administrators at:

shinga.peter@embuni.ac.ke

Or

murimi.maurice@embuni.ac.ke

Thank-you and enjoy using the platform.

ICT TEAM.
